Welcome and Opening Remarks
- Managing Director, Andrea Jackson-Jennings, welcomed and thanked everyone for attending.

St. Louis Metropolitan Pandemic Task Force Updates
- Alexander Garza, MD, MPH - Chief Community Health Officer, SSM Health and Co-Leader of the St. Louis Metropolitan Pandemic Task Force
- Dr. Garza gave an update on the current state of COVID 19 and variants in our region and trends he is seeing.
- He answered questions from the group.

Guest Speakers
- Hannah Kramer, St. Louis County Community Health Improvement Plan (CHIP) Coordinator
- Craig Schmidt, St. Louis City Department of Health, Government Services Analyst
- Our guests gave an update on the Community Health Assessment and Improvement Plan for both the City and County and how they are working together.

Strategic Planning Update
- Andrea Jackson-Jennings gave an overview of the RRT’s Strategic Planning process. She shared the key stakeholders who were interviewed, as well as the Strategic Planning committee that will continue the planning process throughout the spring.

CAN Winter Survey Update
- Cristina Garmendia, PPE and CAN Director, gave an update on the winter survey and an overview of the trends coming from the survey. She reviewed the survey questions, barriers, challenges and positives.

Campaign Updates
- Unhoused
  - Winter pop-up shelters during the cold months, partnerships across county lines and with various organizations, increasing monthly call to include more partners and orgs
- Eviction Prevention
  - Brief update on ERAP and ERAP 2, ecosystem mapping graphic, current focus on data, partnerships and outreach/engagement
- PPE
  - 200,000 PPE distributed, continuing to assess who needs what and will try to fulfill those needs
- Vaccine Education
  - Reviewing what has been done in the past, partnerships are key and are being put into motion
- Medicaid Expansion
  - Blessing Kuebee
Expansion is key for the region, Regional Health Commission is actively working in this area and will provide more details on events and activities in the near future.

Next Meeting: TBD in March
